

Key Leader monthly update is sent to the following recipients: Key Leader district chairs, Key Leader site coordinators, Key Leader student ambassadors and Key Leader lead facilitators.

New material available -- Key Club New Member Booklet

Starting with the weekend of May 5-7, each event will receive 10 Key Club new member booklets. This resource is so that non-Key Club members who want to learn more about Key Club or who want to be able to share Key Club with their school administration have a tool to do so. There is no need to return this resource to us. You can pack it away for future use or recycle it.

From a student

Dear Mrs. Moons, Mrs. Wooten and Mrs. Dumas,

Y'all are AMAZEBALLS! I know my family wasn't in the best financial situation to afford to get here, and I didn't think that I'd be able to be here. But it really means a lot to me that I did come. I have never been so like grateful for something in my life . This trip was amazing and so are you. I'm definitely not going to stop pursuing my dreams of giving service to people, all thanks to this boost. I now know that there really are people who care about you, even when you feel alone. I haven't really been able to thank you enough, and I doubt that I will ever enough but I do thank you for offering us this opportunity. Key Club really is the best service club the world has, and that's all thanks to you guys.

NASSP approval for 2017-2018

The National Association of Secondary School Principals has placed the Key Leader program on the 2017-18 NASSP List of Approved Contests, Programs, and Activities for Students.
